## Rain Date Scheduled for Saturday, September 29th at 4:00 p.m.

Our general membership meeting was well attended on July 8th. We had 27 members present. The discussion centered around the two events already held this year, reminding members that helmets and long sleeves are required. There will be 2 x 6's installed under sections of the guardrail to eliminate any possible safety problems. An additional pulling sled was purchased by Racer's Hall. The refabricating was done by Dennis Brendel and it will be used during some of the events. As good as our green sled is, this will eliminate any possibility of cancellation due to a break down. One change was made to the pulling order to allow more cooling down time for the mod classes. There was good discussion from everyone and thank you all for attending. Your involvement, commitment and input is very important to us.

## 1st Annual Creekside Dream, October 12 & 13, 2012

The end of the season event has been named "The Creekside Dream" and will take place Friday night, October 12th at 7:00 p.m. and Saturday afternoon, October 13th at 1:00 p.m. This two day event will have a different schedule than our regular events because we will be dividing up the classes for each day rather than running a full schedule both days. The reason for dividing up the classes is that we want you to enjoy the camaraderie with each other after the event Friday night, plus it will give us time to prepare the track for the next day. We encourage you to stay and enjoy the evening with other pullers and camp out so that no one has to drive. Additional money will be added to the purse for this weekend. Registration will close at 6:30 on Friday night and 12:30 on Saturday. The schedule will be as follows:

Friday Night	Saturday Afternoon
Hometown 1,000	Hometown 800
Stock Single	Hometown 1,200
Hobby Stock Twin	Stock Twin
Hobby Stock 999 cc.	Hobby Stock Single
Limited Super Stock	Super Stock Diesel
Super Mod 1,050	Super Mod 1,150
Super Mod 1,250	1,450 Outlaw
Mini Rod 1,850	1,600 Unlimited
	Mini Rod 1,950

**Creekside Banquet**  
Our banquet is scheduled for **November 3.**

## Racer's Hall Night

Racer's Hall Night turned out to be quite a challenge to get the program underway. A late afternoon rain shower (more like a down pour) raised havoc with the track and we started the program later than planned but overall it turned out to be a great night. With 99 hooks registered, there was no way we were going to let Mother Nature cancel our evening! Each 1st place winner was awarded a trophy after the event, which happened to end up being cut short by two classes due to, you guessed it, more rain but since it was already after 1:00 a.m. I think everyone was agreeable that we'd award the trophies for the last two remaining classes at the next event. These were the class winners from that night.
