

Creekside Garden Tractor Pullers Association

February 1, 2026

To Whom It May Concern:

The Creekside Garden Tractor Pullers Association was established in 2010. The pulls are held throughout the summer at Racer's Hall, Plymouth. Our club held seven events last year and have the same schedule again for this year. We have a kids class, four Hometown classes, three stock, three super modified classes and two mini rod classes. As the seasons have progressed, our entries have grown and so has the spectator base. Last year we had events with over 100 entries total for one event which has more than doubled since our start in 2010. The pullers range in age from 5 to 60+ and they've come from as far away as Illinois, many areas around the state including Pickett, Beaver Dam, New Franken and Waukesha plus many from the local area. Our attendance has grown to over 200+ people at any given event.

To offer a better points fund and to secure some equipment required to make our events more successful, we're looking for billboard/sled sponsors. The attached sheet gives you the options available. ***The ads are for two years*** and we will need you to supply your graphic design to create the billboard.

We hope you'll consider becoming a sponsor for the 2026 and 2027 seasons. Our schedule is below, and we hope you'll attend at least one of the events as well. More information about our club, points, and rules can be found on our Creekside Garden Tractor Pullers Fan page on Facebook.

Creekside Garden Tractor Puller Association
Board of Directors
